| 25X1A | Comment. Data on the AAA unit and AMA emplacement at the depot were contained in a previous report. See The unit has been relieved every six weeks. The fact that, although located in the area of the Third Gds Mecz Army, the depot is protected | 25X1A |
| 25X1C | by an AAA unit of the Fourth Gds Mecz Army again constitutes evidence that the depot at Toepchin is subordinated directly to the GOFG | 25X1C |
